DETAILED ACTION

Election/Restrictions

Applicant's election of claims 11-15 in the reply filed on 7/25/03 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

This application is in condition for allowance except for the presence of claims 1-10 to the invention non-elected without traverse. Accordingly, claims 1-10 have been cancelled.

Allowable Subject Matter

Claims 11-15 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Prior art fails to disclose or fairly suggest:

- Each turn of the second wire touching two turns of the first wire, where both wires are wrapped in the same direction, in combination with the remaining claimed limitations as called for in claim 11 (claims 12-15 would be allowable for the same reasons since it is dependent on claim 11). The prior art of (JP 20-85181) teaches that after the first coil is wrapped around the core, it is coated with

Art Unit: 2879

an electron-emitting substance and then is dried to firmly adhere the substance to the first coil and then the second coil is wrapped around the first coil, suggesting that the two coils do not directly touch either as claimed in claim 11. The prior art of (JP 59-171447) does not teach the limitation of each turn of the second wire touching two turns of the first coil.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
